- ✓ In partnership with DPI, hosted a webinar for OST providers on building partnerships with schools and districts
- ✓ Hosted the annual Synergy Conference for OST providers
- ✓ Provided technical assistance, trainings and resources to programs on topics like STEM, program development, child care licensing, and starting a program

ncafterschool.org

North Carolina Center for Resilience and Learning

- ✓ Provided in-depth trauma-informed coaching and training to individual schools and districts, primarily in rural eastern NC. In total, there were 83 R&L trainings in the 2022-23 school year reaching almost 3,000 educators
- ✓ Launched the Education Preparation Program Trauma-Informed Task Force to address trauma-informed content and curriculum in teacher prep programs at universities and community colleges
- ✓ Expanded Resilience and Learning into the western part of NC for the first time beginning with the 2023-24 school year

resilienceandlearning.org

Each area of the Forum continued our key role of informing education stakeholders via presentations, trainings, Education Policy Fellowship Program, e-newsletters, TV show Education Matters, and publications (Top Education Issues, Local School Finance Study, Roadmap of Need, policy briefs, op-eds, state budget analyses, and more.) For more information, visit www.ncforum.org

Our Top Education Issues represent the Public School Forum's policy agenda for the 2023-24 biennium.

- 1** Ensure fair and competitive compensation for educators.
- 2** Grow, retain, and diversify the teacher pipeline.
- 3** Address the root causes of mental health and school safety crises.
- 4** Prepare students for the world they live in.
- 5** Implement, monitor, and evaluate the Comprehensive Remedial Plan.
